### **End of Summer Term Newsletter July 2010**

Dear Parents,

Here is our last edition of this school year. This time we have concentrated on some recent news stories involving our students. You will find colour photos on our website together with other news stories from earlier in the year. We have worked hard to improve the website this year, so please have a look and if you have any suggestions for improvements let us know by emailing.

#### **Maryhill is 50!**

There is a new section of the website devoted to the school's Golden Jubilee. If you have any archive material, please contact us and we will arrange to have it copied and returned. Alternatively, you can post a comment on our Golden Jubilee BlogSpot – just follow the link. I hope that many ex-students and parents will want to share their memories of the school.

#### **End of term**

We will end the term as usual with a final assembly that will finish at about 1pm on Friday. We will however supervise any students that need to stay in school until the normal finish time – please write a note in the planner if that is the case. School meals will be served from 11.05 to 11.35 on Friday.

#### **Results days and Sixth Form enrolment**

Exam results will be available from 10am on the following days:

AS and A level	and other sixth form exams	Thursday 19 August
GCSE and other KS4 exams		Tuesday 24 August

Students who have already applied to join the sixth form will have their offers confirmed (subject to satisfactory results) on Tuesday 24 August. Other students can enrol on Tuesday 24 August or on Thursday 26 August from 10am to 12pm. It will also be possible to enrol the week beginning Monday 6 September at 3pm each day but early application is advised as some courses are nearly full.

#### **Start of new term**

Term starts for all students (Years 7 to 13) at **8.40am on Wednesday 8 September.**

#### **Last word**

I would like to thank all parents for the support they have given to the school and to me personally over the last few years. It has been a privilege to be Headteacher and I have enjoyed my time at the school very much. I have worked closely with the new Headteacher Mrs Hewardine over this time and I know that she is not only extremely capable but also absolutely committed to the children in her care. You can therefore look forward to a continually improving school for your children.

Yours sincerely,

Dr A Jones
